Dear Business Owner,

The City of Jurupa Valley is required to conduct property site inspections on all businesses for compliance with the California Regional Water Quality Control Board Order No. R8-2010-0033 and City of Jurupa Valley Ordinance No. 2012-07. The results of the inspection will be discussed directly with you at the time of inspection. In the event a business is found to be contributing a significant source of pollution to our receiving waters, then those findings will be forwarded to the appropriate State Regional Water Quality Control Board.

In order to conduct the inspection, an inspection fee of \$355.00 is required. If your business is found to be in violation of City Ordinance No. 2012-07, or any applicable state or federal regulations, enforcement action may be taken. You can see the City's fee schedule in Resolution No. 2012-32.

Please complete and return by mail the enclosed Storm Water Compliance Certificate Application with the deposit fee. Applications and fees must be returned within thirty (30) days from the date of this letter.

If you have any questions, or need to request an extension for payment, please contact us at (951) 332-6464, or by e-mail at NPDES@jurupavalley.org.

Sincerely,

Bob Makowski
Environmental Programs Manager
