NORCO**
HORSETOWN USA

Dear Community Organization:

The City of Norco invites you and your organization to participate in the 2019 National Night Out on Tuesday, August 6, 2019, from 6 p.m. – 8 p.m. at SilverLakes, located at 5555 Hamner Avenue in Norco.

National Night Out is an annual community-building campaign that promotes strong law enforcement-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live, work and play. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring law enforcement, neighbors, non-profit organizations and businesses together under positive circumstances.

Every year, the cities of Norco, Eastvale and Jurupa Valley alternate hosting National Night Out for our combined communities, which are all serviced by the Riverside County Sheriff's Department. This year, the City of Norco is proud to host this collaborative, family-friendly event, which will include exciting law enforcement demonstrations, live music and entertaining activities for kids, but we need your participation to make it larger and better than ever before!

The City of Norco invites you to host an activity booth throughout the event where you will have the opportunity to connect with approximately 2,000 attendees, share information about your organization, distribute handouts and giveaways, provide interactive experiences for booth visitors, supply raffle prizes, and ultimately help us strengthen law enforcement-community partnerships and celebrate this meaningful night out against crime!

If you would like to participate by hosting an activity booth, please complete and email the attached Activity Booth Application, as well as the Indemnification and Hold Harmless Agreement, to info@ci.norco.ca.us by **July 26, 2019**.

Please contact me at (951) 270-5629 if you have any questions. Thank you for your consideration and for the work you do in our community!

Sincerely,

Michelle Anglin
