

Safety & Readiness

With new ideas and more collaboration, safety and readiness is preparing to excel in communicating more efficiently with Jurupa Valley residents regarding topics such as, marijuana, emergency preparedness, and homelessness. In order to accomplish some of our goals, we will be working and partnering up with Jurupa Valley's Lieutenant, Skeve Kusy, and CBU Research Associate, Jessica Former, to work on educating residents on marijuana laws, homelessness, and emergency preparedness. In relation to educating our residents, we are planning on starting educational sessions for parents, reaching out to local churches, fire department, and the department of health. Our purpose is to reach out throughout the community and build a highly educated citizenry on topics that are critical for our city and future.

The future of Safety and Readiness:

- School videos for safety and preparedness
- Start social media program
- Partner with Chris (videographer)
- ☐ -PSA for Radio stations
- Send out flyer for Safe and Sober Prom

Next meeting date: Thursday, February 15, 2018, 1PM-3PM

8304 Limonite Ave suite C, Jurupa Valley, CA 92509
