

## **CITY MANAGER UPDATE**

Greetings to all residents, businesses and visitors of the City of Jurupa Valley,

As we approach the upcoming Holiday Season, I would like to take this opportunity to share with you a few of the remarkable events that occur over the next few weeks here in the City of Jurupa Valley. In the context of giving, we have a community that comes together to support those in need and celebrate the many diverse cultures that reside within our city. There are events to provide for free turkey dinners, a Santa Toy Express, a food drive, a children's Christmas Party, an evening with Santa, and many more outstanding events which will be happening here in Jurupa Valley. Please check our website or stop by City Hall to keep up to date on the festivities throughout the city.

There are many things to be thankful for during this time and on behalf of myself and city staff, we are thankful for the opportunity to serve each and every one of you. We have many challenges facing the future of this great city but with careful planning, fiduciary responsibility, and strong leadership, we can and will succeed in the successful continued cityhood that so many of you voted for.

Because the goodwill of those we serve is the foundation of our success, it is a real pleasure this holiday time to say "thank you" as we wish you a full year of happiness and success and goodwill.

Sincerely,

Gary Thompson  
City Manager
